

EBLAST:

The Department of Child Support Services has discovered that the link for inquiries via the Public Calculator Mailbox on the Welcome Page of the Public Guideline Calculator website was not functioning correctly. The problem has been corrected; however, any questions you may have sent via the link may not have been received by DCSS and should be re-sent.

We apologize for any inconvenience this may cause you.

Please note the Administrative Office of the Courts (AOC) requests that any inquiries from child support commissioners and family law facilitators regarding the calculator still be routed through their office.
